**What broadband funding is available?**

# 2022 Opportunity For Households

Your household may qualify for the  
*Affordable Connectivity Program.*

You could receive \$75 toward your Internet bill if you live on Tribal Lands or \$30 if you do not.

Find out if you qualify and if your Internet Service Provider is participating in the program on the FCC's website.

# New Opportunities

**\$3 Billion** from NTIA's Tribal Broadband Connectivity Program. [Applications Closed](#)

**\$20 Billion** from Coronavirus State Fiscal Recovery Funds from American Rescue Plan of 2021 for Water, Sewer, or Broadband. [Request funds here.](#)

**\$100 Million** Coronavirus Capital Projects Fund from American Rescue Plan of 2021 for work, education, and health monitoring, including remote options. [Request funds here.](#)

**\$100 Million** Indigenous Communities Program from the American Rescue Plan of 2021 for economic development (including Broadband). [Apply here.](#)

Recent changes at the FCC also ensure that Tribal entities have access to critical network-outage and infrastructure-status information. [Learn more here.](#)
